## MUSIC

---

Our rooms are equipped with a surround sound system. This system uses Sonos technology and allows for the management of 4 zones and 2 music streams simultaneously. The dining room is equipped with 2 wall outlets so that a band or singer-songwriter can plug in their amplifier.

\*Option to privatize only the main section (70 people) or the lounge area (30 people).

## MENUS

We create menus tailored to your events. Whether it's for a business meeting, a wedding, or a banquet, our chef will design a menu that meets your expectations. The ingredients offered may vary depending on the season and availability from local farmers.

## FLEXIBILITY

Choose your favorite package and customize it to suit your needs.

*\*If you have any food intolerances, allergies, or dietary preferences, we will offer you alternatives. / \*\*Prices vary.*

## PRICES

Prices include service staff, service equipment, plates, and cutlery. We also work with suppliers and consultants specializing in events to offer you the widest variety of products and support throughout the process.

# ORGANIZATION

We are proud to offer you a beautiful venue, our expertise, and our experience in the world of cider and apples. To round out our offerings and make your experience even more enjoyable, we recommend working with an event planner who specializes in events. By collaborating with our team, we'll make sure your event is the perfect one!
